- Site Boundary
- Easement zone
- Existing Exolum Oil Pipe/ Existing excess surface water sewer
- Permanent Ball Stop Fence
- Permanent or Temporary Ball Stop Fence (easy to construct/ take down)

Notes

This drawing has been produced by electronic means. Should the scale measurements be taken by means other than electronic (e.g. from a printed copy), the following must be taken into consideration before scaling is undertaken:  
1. Ensure that the copy has been printed/plotted on the stated sheet size with the plotting/printing scale set to a correct ration .  
2. Ensure that an adequate allowance (dependant on the stated scale) is made for the inevitable distortions introduced by plotting/printing and copying processes.  
3. Marked critical dimensions are to be regarded as having precedence over the scaled values.

Scale 1:500 @ A1
